# CERTIFICATE OF CONFORMITY

This is to certify that

## Fusion Advanced Fire Systems Pty Ltd

Is certified to manufacture products to:

**AS 4428.3-2010 - Fire detection, warning, control and intercom systems - Control and indicating equipment  
- Fire brigade panel.**

**AS 4428.3-2020 - Fire detection, warning, control and intercom systems - Control and indicating equipment  
- Fire brigade panel.**

**AS 4428.4-2016 - Fire detection, warning, control and intercom systems - Control and indicating equipment  
- Emergency intercom control and indicating equipment.**

**Product Description**

- Fire detection, warning, control and intercom systems

**Product Purpose or Use**

- Fire brigade panel; Emergency intercom control and indicating equipment; Wire-free alarm zone circuits

**Subject to the following Conditions & Limitations:**

Nil

**Certificate No:** PC10063

**Originally Certified:** 03/05/2021

**Updated:** 01/05/2026

**Expires:** 03/05/2031

**Talissa Ireland**  
CMI Certification Pty Ltd

- The Certificate is issued to and relates to the certification of the described product(s) to the requirements of the described relevant Standard(s) and is subject to the conditions and limitations as described hereupon. CMI Certification Pty Ltd (CMI) is an Accredited Product Certification Body and undertakes certification in accordance with ISO/IEC 17065. The CMI ProdCert Scheme is an ISO/IEC 17067 Type 5 Scheme applicable to products seeking to show conformity to a particular Standard. This certification is to be read, considered and used as a whole document and may only be reproduced in its entirety. For further information contact the certificate holder. Nothing in this certificate should be construed as a warranty or guarantee by CMI, and the only applicable warranties or guarantees will be those provided by the Certificate Holder. CMI by granting this certification shall have no responsibility or liability for infringement of, any patent or other proprietary right.
- It is advised to check that this Certificate is currently valid and not withdrawn, suspended or superseded by a later issue by referring to the CMI website <https://register.cmicert.com.au/>
